Touraine Slab Cabinetry – Touraine's 3/4" thick solid door frames are assembled with five-piece mortise and tenon joints. The raised center panel-in-frame is constructed of furniture quality genuine wood veneer or painted MDF. Touraine's standard reveal door features a single step edge profile. The softly rounded edges are repeated as well in the 3/4" thick solid drawer fronts, available in either slab or 5-piece construction. Decorative hardware is available but not required.
